

How to get started

Four simple steps

1

Create an account

Go to the onboarding portal and create your account.

www.anytime-soccer.com/onboarding-portal

2

Send us your roster

Send us your team roster.

If you would rather not, just tell us the number of players you expect.

3

We send your invoice

We invoice you. Once it is taken care of, your team is ready to train.

4

Invite the families

We invite your families, and you can invite them too.
