Four simple steps for your team

STEP	COMMENTS
1 Start onboarding	Create your account in the onboarding portal. www.anytime-soccer.com/onboarding-portal
2 Send us your roster or roster size	The onboarding portal has the roster template. If you would rather not, just tell us the number of players you expect.
3 We send your invoice	Once it is taken care of, your team is ready to train. Parents never pay.
4 Notify your families and we get started	We give you a welcome email template. Once your parents are notified, we invite them to get started. We also send you a personalized link and other resources to share.
